

Classroom/Gym Rotation Schedule

During the second and third marking period students will be rotating from the health classroom and the gym. This schedule provides ample opportunity for students to learn both health and physical education topics in different learning environments. We are working toward full integration, so the students have a better understanding of wellness in all aspects of their lives.

If the student has Ms. Viola on their schedule they will be in the health classroom in the yellow dates. During this time if the student has Mr. Schlemm on their schedule they will be in the gym. Mr. Schlemm's classes will be in the health classroom in the green dates, while Ms. Viola's classes will be in the gym.
